SUPREME COURT OF GEORGIA DECISIONS RENDERED TUESDAY

Hon, Hiram Warner, Chief Justice, Lemon vs. Thaxton. Equity, from Rous Logan E. Bleckley and James Jackson, Associate Justices BLECKLEY J.

BLECKLEY, J. Butts.

close every avenue

of feirculating medium on the 7th day of March, 1867, for the instance of the bondholder and at their interest, congress enacted another law which will be found or page 361, 2nd volume of Brightiy's digest of statistics as foilows:

"Every national banking association, state banks or hands of same and to Grant and Griffin in 1872 to state banks or hands."

BLECKLEY, J.

1. Generally, if a creditor would exhaust his legal remains any assets through a court of equity, he assets through a court of equity, he should obtain a judgment and fi. fa. Which can be levied of the goods, &c., of the testator or intestate, and procure a return of nulla bona.

2. A fi. fa. against an avenue. "Every national banking association, state banks, or banker, or association, shall pay a tax of ten per centum on the amount of any notes of any town, city or municipal corporation paid out by them after the first day of May, Anno Domini, 1867, to be collected in the mode and manner in which the tax on the notes of state banks is collected."

Previous to this on the 20th Luce of the case, the jury found a verdict in favor of Clark & Cole for the amount of their claim, with interest. Dobbins made a Previous to this on the 30th June, motion for a new trial on various Jenkins vs. Means, administrator. Complaint for land, from Pike.

the snug sum of \$640,000,000, but proceeded in their interest to enact a law which conferred on that class a monopoly of the whole banking business of the United States as will be shown hereafter.

On the third day of June, 1884, the congress of the United States enacted a bureau of currency. The whole act is too long to time there. It will be seen in Brightly Digest, Laws of the United States, and it will require, therefore, the whole congress of the United States enacted as bureau of currency. The whole act is too long to time there. It will be seen in Brightly Digest, Laws of the United States, and it will require, therefore, the whole of it in order to see with what shiftly skill and utter disregard on the whole of it in order to see with what tender early of the masses, but more particularly to perceive with what tender are after of at least five percent of the wealth of the people. Statistics show that
